

# School Safety Management

Practical Approaches, Current Theories, and Standards

Authors: Richard L. Glover, CSWM, MSSW and Henry R. Murphy, CPP

## **PARTIAL TABLE OF CONTENTS**

**Part 1:** Essential Components of a School Safety and Security Program

**Part 2:** Developing School Safety Planning and Management Procedures

**Part 3:** Step-by-Step Procedures for the School Year

### **Part I: ESSENTIAL COMPONENTS OF A SCHOOL SAFETY AND SECURITY PROGRAM**

**Chapter 1:** The Definite Dozen — Twelve Critical Program Elements

Developing Policies and Procedures; Building Security and Control; Incident Reporting

**Ch. 2:** Generally Accepted Minimum School Safety Standards (GAMSSS)

Examples of GAMSSS for each of the Essential Components of the “Definite Dozen” Key Programs

### **Part II: DEVELOPING SCHOOL SAFETY PLANNING AND MANAGEMENT PROCEDURES**

**Ch. 3:** Management Approaches and Tools

Policies and Procedures; Rules and Regulations; School Safety Information Management System; School Safety Committee

**Ch. 4:** Planning Strategies

Components of a Comprehensive Plan Post-9/11; Bomb Scare/Alert Procedures; Visitor/ Intruder Control Procedures; Strategic Use of Limited Resources; Choosing Curricular Approaches

**Ch. 5:** Collaborative Problem Solving

What Works — Collaborative Problem Solving in Schools and Communities; Ten Key Elements of Collaborative Problem Solving; Five Problem-Solving Steps; School Safety Resource Utilization; Information Sharing With Other Agencies; School-Police Relationships; Student and Parent Involvement

**Ch. 6:** Weapons Prevention Program

No-Nonsense Approach—Decisive and Surgical; Student-Initiated Approach — Self-Policing; Guidelines for Using Metal Detection Devices; Model Letter to Parents About Scanning for Weapons; Sample Sign for Weapons Policy; Scanning Permissions and Postings

**Ch. 7:** Emergency Response Program

Crisis Management and Emergency Procedures; Understanding Bomb Threats Made to Schools; Threat Assessment and Evaluation: Two Assessment Methods and Five Model Forms

**Ch. 8:** Victim Support Program

Extent of Victimization in Schools; Helping Victims Recover; Sexual Harassment, Fraternalization, and Sexual Assaults; Bullying

**Ch. 9:** Strategies for Addressing Gang Problems at School

Roles of Administrator, Teacher, Security Staff, Guidance Counselors, Social Workers, Custodial Workers, Lunchroom Workers, Parents, Students, and Police

#### Ch. 10: Building Control

Ensuring Safe Passage; Building Patrol; Procedures for Visitor Screening; Intruder Alerts; and Utilizing Student Passes

#### Ch. 11: Technology Utilization

Metal Detectors and X-Ray Machines; Alarms; Portable Radios; Intercoms; Telephones; Electromagnetic Door Locks; Closed Circuit TV; ID Card Readers

#### Ch. 12: Incident Reporting

Schools and Media; Incident Reports as a Management Tool, with Two Model Forms

#### Ch. 13: Legal Considerations

Search and Seizure and Handling Evidence; Use of Force by School Officials; Consistency in School Rules; Torts and Negligence

#### Part III: STEP-BY-STEP PROCEDURES FOR THE SCHOOL YEAR

#### Ch. 14: Wrapping It All Up—Security Strategies for the School Year

Procedures for Opening and Closing the School Year; Security Programs for Evening, Night, and Summer Programs

#### Ch. 15: Incident Reporting Strategies

Assault / Harassment; Robbery; Larceny; Sex Offense; Gang Fights; Weapon Possession

#### APPENDICES:

A: School Response to Post-9/11 Concerns

B: Example of a Model Student Handbook

C: Development of Observation Skills

D: Student Self Agenda
